About 1234 Redcoat Dr

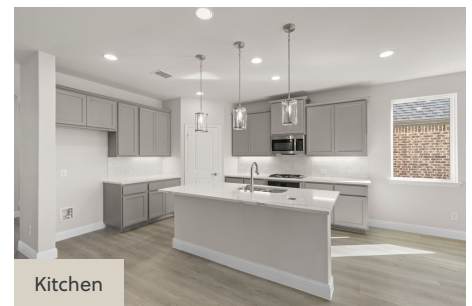

The new two-story by RockWell Homes is designed for both elegance and functionality, featuring 5 bedrooms and 3.5 bathrooms and 2-car garage. The home includes a home office, gameroom, covered patio, soaring ceilings, ACME brick, a covered patio, and dual-pane energy-efficient windows. The open concept living, kitchen, and dining areas are centrally located, with the kitchen offering an island with bar stool seating, solid surface countertops, stainless steel appliances, ceramic tile backsplash, upgraded flooring, recessed can lighting, undermount sink and a walk-in pantry. The living area benefits from multiple dual-pane windows that flood the space with natural light and includes an optional gas fireplace. The primary suite, situated at the back of the home on the first floor, features a garden tub, a ceramic tile shower with a glass enclosure, dual sink vanity, walk-in closet, ceramic tile flooring, walk in ...
