About 2904 Hanscom St

New two-story home by RockWell Homes is designed for both elegance and functionality, featuring 5 bedrooms and 3.5 bathrooms and 2-car garage. The home includes a home office, gameroom, covered patio, soaring ceilings, ACME brick, a covered porch, and dual-pane energy-efficient windows. The open concept living, kitchen, and dining areas are centrally located, with the kitchen offering an island with bar stool seating, solid surface countertops, stainless steel appliances, and a walk-in pantry. The living area benefits from multiple dual-pane windows that flood the space with natural light and includes an optional gas fireplace. The primary suite, situated at the back of the home on the first floor, features a garden tub, a ceramic tile shower with a glass enclosure, dual sink vanity, walk-in closet, and upscale Delta fixtures. Upstairs, secondary bedrooms are equipped with walk-in closets and are conveniently ...
