About Pennant

The new two-story home by RockWell Homes combines contemporary design with functional living spaces, offering 4 to 5 bedrooms and 2.5 to 4 bathrooms. The home features a 2-car garage, a striking exterior with ACME brick, a covered patio, and dual-pane energy-efficient windows. The open-concept layout situates the living, kitchen, and dining areas at the back of the home, with the kitchen showcasing an island with bar stool seating, solid surface countertops, stainless steel appliances, and a walk-in pantry. The living area, illuminated by multiple dual-pane windows, includes an optional gas fireplace. The primary suite, located on the first floor for added privacy, boasts a garden tub, ceramic tile shower with a glass enclosure, dual sink vanity, walk-in closet, and high-quality Delta faucets. Upstairs, secondary bedrooms each feature walk-in closets and are situated around a central gameroom. The secondary bathroom ...
